ANC  
FC  
City

ANDY DAVY.

MRS. MARY GRACE DAVY.

One of the most brutal murders on Columbus police records was that committed Thursday night by Davy, who in a jealous rage stabbed his wife, Mrs. Mary Grace Davy, 25 times and then struck her twice over the head with a seven-foot board. She died half an hour later at St.

Francis hospital. Davy lives at 268 South Fifth street. Since April his wife has lived at 225 Beck street with her two grown sons. He was arrested soon afterwards a short distance from his wife's home and will face a charge of murder after Coroner Heintz holds an inquest.
